It's disappointing that there's no convenient menu that lets you just browse freebies. Instead, you have to search for your preferred genre, plus the word 'free' (free science fiction, or free history, for example). It works well enough once you know about it, but it's not immediately obvious.

Country Music Guide

Country music is about tradition, yet its simple form lends itself to endless variations on similar themes. Like blues -- the two genres often shared themes, melodies and songs -- country is a simple music at its core. Most of its songs are built around three chords and a plain melody, but these forms are so basic, they allow for many different styles, from the gritty sounds of honky tonk to the jazzy improvisations of Western Swing.

Country Music Genre Overview | AllMusic

Now in its second edition, the All Music Guide to Country rounds up the music you love, from the Appalachian Mountains to the Grand Ole Opry, from gospel tents to honky-tonk bars, and from the open range to the open road, giving this diverse genre its due respect and helping you choose the most essential albums from more than 1,200 artists.
