Repair Manual PDF

Hey everyone, I tried searching for it but was unable to find it. Does anyone have, or could anyone point me in the right direction, of a wiring diagram for a 2003 VW GTI 1.8T. I am looking to install 2 Infinity Kappa Perfect 12" subs and an Audiobahn amp. I would love to get ahold of a wiring diagram. Thanks a lot for your help in advance.

Michael, Is the radio
you're having trouble
with the factory radio
(came with the car) or
an after market car
radio? Let us know.
