There are a few paid-for books though, and there's no way to separate the two

Free S For Wiring

Get free wiring diagrams at the library. Call your local library and ask if they offer online access to auto repair manuals. Many libraries DO offer that service and it's free. But there's caveat; you must access the services from the library, not your home. That means you should bring money with you to print out the diagrams on their printers.
