Possible Solutions For Terrorism

According to Maulana Wahiduddin Khan, the present problem of terrorism is based on an ideology and an ideology cannot be countered or killed through legal action or by mere condemnation. We have to develop a counter-ideology to overcome it. According to UNESCO, "Violence begins from the mind". It must, therefore, be uprooted from the mind itself.

The most widely accepted model in the industry gained its credibility from experts in the field, the use of 3D blast modeling techniques, and through consistent updates to the models reflective of the current landscape. RMS also works with government agencies to inform views on terrorism risks.

RMS Terrorism Modeling

Terrorism is an old phenomenon. To figure out how to end it, it's worth sorting through what's changed, which precedents can inform future responses, and what past failures can teach for the way ...

How Can World Leaders End Terrorism? - The Atlantic

The battle against terrorism first starts with good governance and addressing these underlying issues, so as to avoid the anger and contempt that inevitably leads to terrorism. A swift military response is also required to snuff out the threat in its early days, and this swift response can be achieved through international collaborations, and adequate equipping of a nation's military.

Terrorism in Nigeria; Overview, Causes, Effects, Possible ...

Much has been achieved in the secure management of nuclear material since the attacks on the United States in September 2001 prompted a renewed focus on the risks of terrorism. Many countries have instituted effective measures to prevent the theft, sabotage, or illegal transfer of nuclear or other radioactive material, and security at many nuclear facilities has been improved.

How do we prevent nuclear terrorism? | World Economic Forum
