Simon Blackburn Think
Simon Blackburn surely did make me think...lots. At times easier than others, and there were many times I had to re-read bit several times. There were also times that lead me to crack open a few other web pages to find out more about certain things/topics that were new to me. So, for these reasons alone, this book was quite an education.

Think: A Compelling Introduction to Philosophy by Simon ...
Think sets out to explain what they are and why they are important. Simon Blackburn begins by putting forward a convincing case for the study of philosophy and goes on to give the listener a sense of how the great historical figures such as Descartes, Hume, Kant, and Wittgenstein have approached its central themes.

Think: Simon Blackburn, Norman Dietz: 9781522670025 ...
In a lively and accessible style, Blackburn approaches the nature of human reflection and how we think, or can think, about knowledge, fate, ethics, identity, God, reason, and truth. Each chapter explains a major issue, and gives the reader a self-contained guide through the problems that the philosophers have studied.

Think by Blackburn, Simon (ebook)
The author of the highly popular book Think, which Time magazine hailed as "the one book every smart person should read to understand, and even enjoy, the key questions of philosophy," Simon Blackburn is that rara avis—an eminent thinker who is able to explain phillosophy to the general reader. Now Blackburn offers a tour de force exploration of what he calls "the most exciting and engaging issue in the whole of philosophy"—the age-old war over truth.

Simon Blackburn - Wikiquote
Blackburn calls the traditional view "Cartesian dualism," since he sees Descartes as a philosophical defender of the tradition. (But we saw that it was Plato's view as well.) In Chapter Two, Cartesian dualism is introduced as the view that holds that we are made up of two distinct substances - two kinds of stuff: physical stuff and spiritual or mental stuff.

Some notes on the Blackburn, Chapters 2-4
Simon Blackburn re-joined our faculty in the Fall 2008 and will be with us one semester each year. In addition to his position here, Blackburn is a Professor of Philosophy at the University of Cambridge. He specializing in philosophy of mind, philosophy of language, and philosophy of psychology.
