to solidify their basic math skills before moving on to the abstract world of algebra and geometry. The focus of Seventh-Grade Math Minutes is math fluency—teaching students to solve problems effortlessly and rapidly.

### **Seventh-Grade Math Minutes**

The Minutes are designed to improve math fluency and should not be included as part of a student's overall math grade. However, the Minutes provide an excellent opportunity for you to see which skills the class as a whole needs to practice or review. This information can help you plan the content of future math lessons.

I have used Math Minutes as an enrichment math for my child since his first grade year. Most math programs (with exception of Saxon) teach math by topics without much, if any, review of previous math concepts taught. Math Minutes is a short, ten minute review of varied math lessons. I was highly recommend Math Minutes as an enrichment math.
