Some recipes, for example, appear to be paraphrased from well-known chefs.

### The Ecological Rift John Bellamy

In *The Ecological Rift: Capitalism's War on the Earth* environmental sociologists John Bellamy Foster, Brett Clark, and Richard York offer a radical assessment of both the problem and the solution. They argue that the source of our ecological crisis lies in the paradox of wealth in capitalist society, which expands individual riches at the expense of public wealth, including the wealth of nature.
