Thoth was the master architect who created the blueprint of our reality based on the patterns of sacred geometry. It is here, in the duality - duat - underworld - chaos - void - place of creation 'outside the box' of our experience - reflected in gods and goddesses, the landscapes of Egypt including the pyramids and temples - that we experience until we evolve in the alchemy of time and consciousness.

Thoth, Architect of the Universe has gone beyond this simple observation and found evidence of maps carved into the very fabric and design of these great megalithic monuments. Structures like the great henge of Avebury are quite obvious in their cartographical design, others, like the Great Pyramid of Giza, are less obvious.

Thoth: Architect of the Universe by Ralph Ellis

The book is misnamed as it has little to nothing to do with Thoth. His theory is that an alien civilization came to earth to civilize the human population of earth. In that sense he calls them Thoth the Egyptian god. He tries to tie the Egyptian, Britian and Aztec civilizations together from their monuments.
