I enjoyed this novel a lot more than I thought I would. Three Daughters is a family saga the spans from 1882 to 1958. Most of the story takes place in or around Jerusalem though there were some parts that take place in Europe and America. The story follows the lives of three women, Miriam, Nadia and Nijmeh, over the course of these years.

"Three Daughters", the first novel of accomplished feminist and non-fiction writer Letty Pogrebin, tells the story of three sisters and their families, friends, and pasts. Each of the sisters lives a life that is both exactly what she wants and a failure: each is estranged from her family, or from reality, or from her truest self.

This novel envelopes readers in the sounds, scents, and emotions of the world of Miriam, Nadia, and Nijmeh. By the end I felt quite an attachment to many of the characters outside of these three daughters. Nearing the end of the novel, I was desperate for a satisfying ending and thought I knew what was best for the characters.

This is also a great novel for romance lovers, since there are quite a few steamy scenes. As a 27 year old mother of one girl, who lost her mother to Leukemia 3 years ago, this book was a great reminder of the blessing that women, especially family, is to a person's life.
